

Product card AX-EL300W

Symbol:	AX-EL300W
Manufacturer:	AXIOMET
Product groups:	Laboratory instruments - other

Product specifications

Device type:	electronic load
Kind of display used:	LCD 4,3", with a backlit
Operating voltage:	0...150 V
Operating current:	0.001...30 A
Operating modes:	constant power, constant resistance, constant voltage, constant current
Maximum power:	300 W
Dimensions:	215 x 89 x 412 mm
Weight:	6.7 kg
Power supply:	110/220V, $\pm 10\%$, 50/60Hz

Standard equipment: mains cable

Interface: RS232

Protection: over current, anti-overvoltage, against reverse polarity, overheating

Additional information

Gross weight: 6.7 kg
